

Become a **Sponsor of Citizens' Greener Evanston** and support its efforts to make Evanston a more sustainable community—environmentally, economically, and socially.

CGE's primary focus is helping the community dramatically reduce its greenhouse gas emissions. Thanks to Community Choice Aggregation for electricity, Evanston has achieved the 13% emissions-reduction goal set in its Climate Action Plan, but much, much more remains to be done. After analyzing the sources of community emissions and the potential of various strategies to reduce those emissions, CGE believes that a new goal to reduce Evanston emissions 20% by 2016, while ambitious, is indeed achievable.

Two areas of emphasis will be improving the energy efficiency of homes and businesses and reducing emissions associated with transportation. To be successful, the campaign will need to engage all segments of our community. As a sponsor, your support will help CGE reach more Evanstonians with engaging and practical information about actions they can take to help make this a more sustainable community.

***Platinum sponsor — \$2,500***

- Your company logo (with hyperlink), a brief description of your company, and recognition as a **platinum sponsor** in CGE's online Directory of Sponsors
- Company logo in a slideshow of sponsors on the homepage of CGE's website
- Company logo on CGE banner displayed at community festivals and other local events
