January 30 Green Drinks: *Making Evanston a Resilient City*

Climate resilience is the task of preparing the community for anticipated changes from climate and the impact they will have on the community and its infrastructure. What challenges does Evanston face from climate change and what can be done to lessen them?

Guest speakers:

- Dr. Sarah Lovinger, Internist, Heartland Health Centers
- Elizabeth Hicks, Professor of Physics, Columbia College

When: Wednesday, January 30, 6:30-8 p.m.

Where: The Celtic Knot, 626 Church St.

NU Pledges \$75,000 to Help City's Climate Action Plan

For the fourth straight year, Northwestern University has donated proceeds to the City's Good Neighbors Fund, which is used on projects and services jointly agreed upon by the mayor of Evanston and

year, in addition to funds for a host of important items, the university has pledged \$75,000 towards implementing pilot projects recommended by the Climate Action and Resilience Plan.

Watershed Collective Kick-off Meeting

The first watershed collective *committee* meeting will be held Thursday, January 24th, 3:30-5 p.m. Since a location for the meeting is still to be determined, please email water@greenerEvanston.org if you are interested in participating.

A Successful Edible Evanston Fundraiser

Thanks to all who supported the recent Edible Evanston fundraiser. With your help, they surpassed their goal of \$6,000! Look for updates as they roll out activities for next year, in support of their mission to encourage residents and organizations to grow and share food for all Evanstonians.
