What Is Community Solar?

Community Solar is a type of solar program that allows residents or businesses to subscribe to a solar installation without having to install solar on their rooftop.

Who can Participate?

All residential customers, depending on their ComEd service can opt-in, and some smaller commercial customers eligible to participate. Limited availability

Subscription Options

- Regular subscribers receive 20% off the Supply portion of their electric bill.
- Low income subscriptions receive 100% off their supply portion of their electric bill.

Low Income Option

- For every 20 regular subscriptions there will be 1 low income subscription
- SNAP, free and reduced lunch, and medicaid as options for low income qualifiers.
- The City is giving away a gift card after every 25 new subscribers.
